2. Membership

- (a) The Committee shall consist of at least three (3) members, comprised solely of directors deemed by the Board to be independent and who meet independence and experience requirements of Nasdaq. Accordingly, each member shall, in the judgment of the Board, have the ability to read and understand the Company's basic financial statements. At least one member of the Committee shall, in the judgment of the Board, be an "audit committee financial expert" in accordance with the rules and regulations of the SEC.

- (c) The Board shall appoint the Chair of the Committee.
- (d) The Committee Chair may appoint a secretary of the Committee, who shall be entitled to participate in the deliberations and discussions of the Committee, but shall not vote, unless he or she is a member of the Committee.

3. Responsibilities

The basic responsibility of the members of the Committee is to exercise their business judgment to act in what they reasonably believe to be in the best interests of the Company. In discharging that obligation, members should be entitled to rely on the honesty and integrity of the Company's senior executives and its outside advisors and auditors, to the fullest extent permitted by law. In addition to any other responsibilities which may be assigned from time to time by the Board, the Committee is responsible for the following matters:

3.1 Independent Auditor

- (a) Subject to recommendation by the Board to the shareholders of the Company and election by the shareholders of the Company as required by Swiss law, the Committee shall be directly responsible for the selection, appointment, compensation, retention, termination, and oversight of the work of any accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company. Without prejudice to their statutory notification obligations to the Board or to the shareholders of the Company under Swiss law, each such accounting firm shall report directly to the Committee.
- (b) The Committee shall support the Board in preparing the proposal to the general meeting of shareholders to appoint or remove an accounting firm as external auditors of the Company.
- (c) The Committee shall pre-approve the audit services and non-audit services (including the fees and terms thereof) to be provided by the Company's independent auditor pursuant to pre-approval policies and procedures established by the Committee. The Committee may delegate its authority to pre-approve services to the Chair or one or more Committee members, provided that such designees present any such approvals to the full Committee at the next Committee meeting.

 - (i) discuss with the independent auditor its responsibilities under generally accepted auditing standards;
 - (ii) review and approve the planned scope and timing of the independent auditor's annual audit plan(s);

 - (iv) discuss significant findings from the audit and any problems or difficulties encountered, including any restrictions on the scope of the auditor's activities or on access to requested information, and any significant disagreements with management.
- (e) The Committee shall evaluate the independent auditor's qualifications, performance and independence, and shall present its conclusions with respect to the independent auditor to the full Board on at least an annual basis. As part of such evaluation, at least annually, the Committee shall:
 - (i) obtain and review a report or reports from the Company's independent auditor describing:
 - the independent auditor's internal quality-control procedures;

any material issues raised by (1) the most recent internal quality-control review, peer review or Public Company Accounting Oversight Board (**PCAOB**) review, of the independent auditing firm, or (2) any inquiry or investigation by governmental or professional authorities, within the preceding five years, regarding one or more independent audits carried out by the auditing firm; and any steps taken to deal with any such issues; and

all relationships between the independent auditor and the Company consistent with applicable requirements of the PCAOB regarding the independent auditor's communications with the audit committee concerning independence;

- (ii) examine compatibility of the auditing responsibilities with any consulting mandates; and
 - (iii) confirm and evaluate the rotation of the audit partners on the audit engagement team as required by law.

The Committee shall also review any special audit steps adopted in light of material control deficiencies.
